I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The purpose of the Request for Proposal (RFP) is to solicit proposals to establish a contract through competitive negotiations for the procurement of a financial and compliance audit. The Early Childhood Education and Care Department (“ECECD” or the Agency) is requesting proposals from qualified firms that have demonstrated past excellence and knowledge in providing financial and compliance audits to state agencies.

B. BACKGROUND INFORMATION

In 2019, Gov. Lujan Grisham and the New Mexico Legislature created ECECD. ECECD was created by the Early Childhood Education and Care Department Act, NMSA 1978, Section 9-29-1 to 9-29-12. The Department officially launched on July 1, 2020. The Department’s aim is to create a more cohesive, equitable, and effective early childhood system in New Mexico. That means coordinating a continuum of programs from prenatal to five – and ensuring that families in every corner of the state can access the services they need. The Department also oversees child care programs – as well as food and nutrition programs – that serve older children and families.

The Department consists of the following programs and departments:

Program Support

- Office of the Secretary
- Administrative Services Division
- Information Technology
- Director Policy, Planning and Research
- Quality Initiative

Support and Intervention

- Director’s Office
- Families, Infants and Toddlers
- Families FIRST
- Home Visiting

Early Childhood Education and Care

- Director’s Office
- Child Care Assistance
- Child Care Regulatory Oversight
- Family Nutrition
- Private PreK
- Public PreK

C. SCOPE OF PROCUREMENT

ECECD is seeking a contractor to conduct a financial and compliance audit for applicable statements and schedules of the Agency and other financial and compliance audit services as further described in Section IV.A for the period from July 1, 2020 through June 30, 2021 with the option to extend for two successive one-year terms based on the cost stated in the original proposal. This procurement will result in a contractual agreement between two parties; the procurement may ONLY be used by those two parties exclusively.

D. PROCUREMENT MANAGER

ECECD has assigned a Procurement Manager who is responsible for the conduct of this procurement whose name, address, telephone number and Email address are listed below:

Name: Mario Maes, Procurement Manager
Telephone: 505-660-7732
Email: Mario.Maes@state.nm.us

Offerors may contact **ONLY** the Procurement Manager regarding this procurement. Other state employees or Evaluation Committee members do not have the authority to respond on behalf of the ECECD.

3. Prime Contractor Responsibility

Any contractual agreement that may result from this RFP shall specify that the prime contractor is solely responsible for fulfillment of all requirements of the contractual agreement with a State Agency which may derive from this RFP. The use of subcontractors is allowed. The prime contractor shall be wholly responsible for the entire performance of the contractual agreement whether or not subcontractors are used. Additionally, the prime contractor must receive approval, in writing, from the agency awarding any resultant contract, before any subcontractor is used during the term of this agreement.

5. Amended Proposals

An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. **Agency personnel will not merge, collate, or assemble proposal materials.**

8. Disclosure of Proposal Contents

The contents of all submitted proposals will be kept confidential until the final award has been completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be available for public inspection, *except* for proprietary or confidential material as follows:

- a. ***Proprietary and Confidential information is restricted to:***
 1. confidential financial information concerning the Offeror's organization; and
 2. information that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §§57-3A-1 through 57-3A-7, NMSA 1978.
- b. An additional but separate redacted version of Offeror's proposal, as outlined and identified in Sections III.B.1.a.i., shall be submitted containing the blacked-out proprietary or confidential information, in order to facilitate eventual public inspection of the non-confidential version of Offeror's proposal.

IMPORTANT: The price of products offered or the cost of services proposed **SHALL NOT** be designated as proprietary or confidential information.

If a request is received for disclosure of proprietary or confidential materials, the Agency shall examine the request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of proprietary or confidential information.

9. No Obligation

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

10. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Agency determines such action to be in the best interest of the State of New Mexico.

11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Agency's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. Legal Review

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

13. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

14. Basis for Proposal

Only information supplied in writing by the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

15. Contract Terms and Conditions

The contract between an agency and a contractor will follow the format specified by the New Mexico Office of the State Auditor and contain the terms and conditions set forth in the Sample Contract Appendix C. However, the Agency reserves the right to negotiate provisions in addition to those contained in this RFP (Sample Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Sample Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Sample Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Sample Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. See Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85, NMSA 1978.

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities, as defined in Section I.F.19. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that **all** of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Contractor Representatives

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

21. Notice of Penalties

The Procurement Code, §§13-1-28 through 13-1-199, NMSA 1978, imposes civil, and misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

22. Agency Rights

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

23. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the State of New Mexico.

25. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency's written permission.

Contractor agrees to take all reasonable and commercially accepted measures to ensure the security and confidentiality of such information, including but not limited to password protection of all confidential data stored and transmitted. Agency data shall be protected in flight and at rest by encryption best practices and Contractor agrees such encryption shall be used on every device where the Agency data may be stored or transmitted.

26. Electronic mail address required

APPENDIX C
SAMPLE CONTRACT

**STATE OF NEW MEXICO
AUDIT CONTRACT**
(State Agencies with GSD/CRB Approval)

hereinafter referred to as the "Agency," and "Contractor"

hereinafter referred to as the "Contractor," agree:

As required by the Audit Rule, NMAC Section 2.2.2.1 et seq., Contractor agrees to, and shall, inform the Agency of any restriction placed on Contractor by the Office of the State Auditor pursuant to NMAC Section 2.2.2.8, and whether the Contractor is eligible to enter into this Contract despite the restriction.

1. **SCOPE OF WORK** (Include in Paragraph 26 any expansion of scope)

A. The Contractor shall conduct a financial and compliance audit of the Agency for Fiscal Year **2021** in accordance with auditing standards generally accepted in the United States of America, *Government Auditing Standards, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, the Audit Act and the Audit Rule (NMAC Section 2.2.2.1 et seq.).

2. **DELIVERY AND REPRODUCTION**

A. In order to meet the delivery terms of this Contract, the Contractor shall deliver the following documents to the State Auditor no later than **sixty days** after the Financial Control Division of the Department of Finance and Administration (FCD of DFA) provides the State Auditor with notice that the Agency's books and records are ready and available for audit, and in any event no later than the deadline set forth for the Agency in NMAC Section 2.2.2.9:

1. an organized, bound and paginated hard copy of the Agency's audit report for review;
2. a copy of the signed management representation letter provided to the IPA by the Agency as required by AU-C580; and
3. a copy of the completed State Auditor Report Review Guide available at www.osanm.org;

B. In accordance with FCD requirements, the Agency, with the help of the Contractor, shall identify a schedule of audit deliverables and agreed-to milestones for the audit to ensure that the Agency's books and records are ready and available for audit and the Contractor delivers services on time. The deadline of sixty days shall be based on the schedule of audit deliverables and agreed upon milestones; however, the deadline **shall not extend beyond the deadline set forth for the Agency in NMAC Section 2.2.2.9**. This requirement does not prevent the Contractor from performing interim audit work prior to receipt of the DFA notice of agency preparedness.

C. Reports postmarked by the Agency's due date will be considered received by the due date for purposes of NMAC Section 2.2.2.9. Unfinished or excessively deficient reports will not satisfy this requirement; such reports will be rejected and returned to the Contractor and the State Auditor may take action in accordance with NMAC Section 2.2.2.13. If the State Auditor does not receive copies of the management representation letter, and the completed Report Review Guide with the audit report or prior to submittal of the audit report, the State Auditor will not consider the report submitted to the State Auditor.

D. As soon as the Contractor becomes aware that circumstances exist that will make the Agency's audit report late, the Contractor shall immediately provide written notification of the situation to the State Auditor. The notification shall include an explanation regarding why the audit report will be late, when the IPA expects to submit the report and a concurring signature by the Agency.

E. Pursuant to NMAC Section 2.2.2.10, the Contractor shall prepare a written and dated engagement letter that identifies the specific responsibilities of the Contractor and the Agency.

- A. After its review of the audit report pursuant to NMAC Section 2.2.2.13, the State Auditor shall authorize the Contractor to print and submit the final audit report. Within five business days after the date of the authorization to print and submit the final audit report, the Contractor shall provide the State Auditor an electronic version of the audit report, in PDF format, and the electronic copy of the Excel version of the Summary of Findings Form, Vendor Schedule, Fund Balances, and any GASB 77 data (if applicable). After the State Auditor officially releases the audit report by issuance of a release letter, the Contractor shall deliver 0 copies of the audit report to the Agency. The Agency or IPA shall ensure that every member of the Agency's governing authority shall receive a copy of the report.
- B. The Agency, upon delivery of its audit report, shall submit to the Federal Audit Clearinghouse (FAC) the completed data collection form and the reporting package described in Section 200.512 of Uniform Guidance for Federal Awards. The submission is required to be made within 30 calendar days of receipt of the auditor's report, or nine months after the end of the audit period.

2. COMPENSATION

- A. The total amount payable by the Agency to the Contractor under this Contract shall not exceed **\$0.00** including applicable gross receipts tax.
- B. Contractor agrees not to, and shall not, perform any services in furtherance of this Contract prior to approval by the State Auditor. Contractor acknowledges and agrees that it will not be entitled to payment or compensation for any services performed by Contractor pursuant to this Contract prior to approval by the State Auditor.
- C. Total Compensation will consist of the following:

SERVICES	AMOUNTS
(1) Financial statement audit	\$0.00
(2) Federal single audit	\$0.00
(3) Financial statement preparation	\$0.00
(4) Other nonaudit services, such as depreciation schedule updates	\$0.00
(5) Other (i.e., foundations or other component units, specifically identified)	\$0.00

Gross Receipts Tax = **\$0.00**

Total Compensation = **\$0.00** including applicable gross receipts

- D. The Agency shall pay the Contractor the New Mexico gross receipts tax levied on the amounts payable under this Contract and invoiced by the Contractor. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below.
- E. The State Auditor may authorize progress payments to the Contractor by the Agency; provided that the authorization is based upon evidence of the percentage of audit work completed as of the date of the request for partial payment. Progress payments up to 70% do not require State Auditor approval, provided that the Agency certifies receipt of services. The Agency must monitor audit progress and make progress payments only up to the percentage that the audit is completed prior to making such payment. Progress payments of 70% or more but less than or equal to 90% require State Auditor approval after being approved by the Agency. If requested by the State Auditor, the Agency shall provide a copy of the approved progress billings. The State Auditor may allow only the first 50% of progress payments to be made without State Auditor approval if the Contractor's previous audits were submitted after the due date. Final payment for services rendered by the Contractor shall not be made until a determination and written finding is made by the State Auditor in the release letter that the audit has been made in a competent manner in accordance with the provisions of this Contract and applicable rules of the State Auditor.

3. **TERM.** THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE STATE AUDITOR AND THE NEW MEXICO GENERAL SERVICES DEPARTMENT/CONTRACTS REVIEW BUREAU. Unless terminated pursuant to Paragraphs 5 or 19, this Contract shall terminate one calendar year after the date on which it is signed by the General Services Department/Contracts Review Bureau.

4. TERMINATION, BREACH AND REMEDIES

- A. This Contract may be terminated:
1. By either party without cause, upon written notice delivered to the other party and the State Auditor at least ten (10) days prior to the intended date of termination.
 2. By either party, immediately upon written notice delivered to the other party and the State Auditor, if a material breach of any of the terms of this Contract occurs. Unjustified failure to deliver the report in accordance with Paragraph 2 shall constitute a material breach of this Contract.
 3. By the Agency pursuant to Paragraph 19, immediately upon written notice to the Contractor and the State Auditor.

- A. By termination, neither party may nullify obligations already incurred for performance or failure to perform prior to the date of termination. If the Agency or the State Auditor terminates this Contract, the Contractor shall be entitled to compensation for work performed prior to termination in the amount of earned, but not yet paid, progress payments, if any, that the State Auditor has authorized to the extent required by Paragraph 3(E). If the Contractor terminates this Contract for any reason other than Agency's breach of this Contract, the Contractor shall repay to the Agency the full amount of any progress payments for work performed under the terms of this Contract.
- B. Pursuant to NMAC Section 2.2.2.8, the State Auditor may disqualify the Contractor from eligibility to contract for audit services with the State of New Mexico if the Contractor knowingly makes false statements, false assurances or false disclosures under this Contract. The State Auditor on behalf of the Agency or the Agency may bring a civil action for damages or any other relief against a Contractor for a material breach of this Contract.
- C. THE REMEDIES HEREIN ARE NOT EXCLUSIVE, AND NOTHING IN THIS SECTION 5 WAIVES OTHER LEGAL RIGHTS AND REMEDIES OF THE PARTIES.

2. STATUS OF CONTRACTOR

The Contractor and its agents and employees are independent contractors performing professional services for the Agency and are not employees of the Agency. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles or any other benefits afforded to employees of the Agency as a result of this Contract. The Contractor agrees not to purport to bind the State of New Mexico to any obligation not assumed under this Contract unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

3. ASSIGNMENT

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract.

4. SUBCONTRACTING

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the Agency and the State Auditor. An agreement between the Contractor and a subcontractor to subcontract any portion of the services under this Contract shall be completed on a form prescribed by the State Auditor. The agreement shall be an amendment to this Contract and shall specify the portion of the audit services to be performed by the subcontractor, how the responsibility for the audit will be shared between the Contractor and the subcontractor, the party responsible for signing the audit report and the method by which the subcontractor will be paid. Pursuant to NMAC Section 2.2.2.8, the Contractor may subcontract only with independent public accounting firms that are on the State Auditor's List of Approved Firms, and that are not otherwise restricted by the Office from entering into such a contract.

5. RECORDS

The Contractor shall maintain detailed time records that indicate the date, time, and nature of services rendered during the term of this Contract. The Contractor shall retain the records for a period of at least five (5) years after the date of final payment under this contract. The records shall be subject to inspection by the Agency and the State Auditor. The Agency and the State Auditor shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the Agency or the State Auditor on behalf of the Agency to recover excessive or illegal payments.

6. RELEASE

The Contractor, upon receiving final payment of the amounts due under the Contract, releases the State Auditor, the Agency, their respective officers and employees and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Contract. This paragraph does not release the Contractor from any liabilities, claims or obligations whatsoever arising from or under this Contract.

7. CONFIDENTIALITY

All information provided to or developed by the Contractor from any source whatsoever in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor, except in accordance with this Contract or applicable standards, without the prior written approval of the Agency and the State Auditor.

8. PRODUCT OF SERVICES; COPYRIGHT AND REPORT USE

Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. The Agency and the State Auditor may post an audited financial statement on their respective websites once it is publicly released by the State Auditor. The Contractor agrees that the FCD of DFA is free to use the audited financial statements in the statewide Comprehensive Annual Financial Report (CAFR) and that the Contractor's audit report may be relied upon during the audit of the statewide CAFR, if applicable. However DFA should not provide to any third party, other than the CAFR auditor, the draft audit report or its opinion letters or findings.

The Contractor represents and warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this Contract. Each of the Contractor and the Agency certifies that it has followed the requirements of the Governmental Conduct Act, Section 10-16-1, et seq., NMSA 1978, regarding contracting with a public officer, state employee or former state employee, as required by the applicable professional standards.

1. **INDEPENDENCE**

The Contractor represents and warrants its personal, external and organizational independence from the Agency in accordance with the *Government Auditing Standards 2011 Revision*, issued by the Comptroller General of the United States, and NMAC Section 2.2.2.8. The Contractor shall immediately notify the State Auditor and the Agency in writing if any impairment to the Contractor's independence occurs or may occur during the period of this Contract.

2. **AMENDMENT**

This Contract shall not be altered, changed or amended except by prior written agreement of the parties and with the prior written approval of the State Auditor. Any amendments to this Contract shall comply with the Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978.

3. **MERGER**

This Contract supersedes all of the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof. No prior agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract. Contractor and Agency shall enter into and execute an engagement letter pursuant to NMAC Section 2.2.2.10, consistent with Generally Accepted Auditing Standards (GAAS) and Government Auditing Standards (GAGAS). **The engagement letter and any associated documentation included with or referenced in the engagement letter shall not be interpreted to amend this Contract. Conflicts between the engagement letter and this Contract are governed by this Contract, and shall be resolved accordingly.**

4. **APPLICABLE LAW**

The laws of the State of New Mexico shall govern this Contract. By execution of this Contract, Contractor irrevocably consents to the exclusive personal jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising from or related to this Contract.

5. **AGENCY BOOKS AND RECORDS**

The Agency is responsible for maintaining control of all books and records at all times and the Contractor shall not remove any books and records from the Agency's possession for any reason.

6. **APPROPRIATIONS**

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the legislature or the Agency's governing body for the performance of this Contract. If sufficient appropriations and authorization are not made by the legislature or the Agency's governing body, this Contract shall terminate upon written notice being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. This section of the Contract does not supersede the Agency's requirement to have an annual audit pursuant to Section 12-6-3(A) NMSA 1978.

7. **PENALTIES FOR VIOLATION OF LAW**

The Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

8. **EQUAL OPPORTUNITY COMPLIANCE**

The Contractor shall abide by all federal and state laws, rules and regulations, and executive orders of the Governor of the State of New Mexico pertaining to equal employment opportunity. In accordance with all such laws, rules, regulations and orders, the Contractor assures that no person in the United States shall, on the grounds of race, age, religion, color, national origin, ancestry, sex, physical or mental handicap or serious medical condition, spousal affiliation, sexual orientation or gender identity be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If the Contractor is found not to be in compliance with these requirements during the life of this Contract, the Contractor shall take appropriate steps to correct these deficiencies.

9. **WORKING PAPERS**

- A. The Contractor shall retain its working papers of the Agency's audit conducted pursuant to this Contract for a period of at least five (5) years after the date shown on the opinion letter of the audit report, or longer if requested by the federal cognizant agency for audit, oversight agency for audit, pass through-entity or the State Auditor. The State Auditor shall have access to the working papers at the State Auditor's discretion. When requested by the State Auditor, the Contractor shall deliver the original or clear, legible copies of all working papers to the requesting entity.

A. The Contractor should follow the guidance of AU-C 210 A.27 to A.31 and AU-C 510 .A3 to .A11 in communications with the predecessor auditor and to obtain information from the predecessor auditor's audit documentation.

2. DESIGNATED ON-SITE STAFF

The Contractor's on-site individual auditor responsible for supervision of work and completion of the audit is N/A. The Contractor shall notify the Agency and the State Auditor in writing of any changes in staff assigned to perform the audit.

3. INVALID TERM OR CONDITION

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected.

4. EMPLOYEE PAY EQUITY REPORTING

A. If it has ten (10) or more New Mexico employees OR eight (8) or more employees in the same job classification at any time during the term of this Contract, the Contractor shall complete and submit the PE10-249 form on the annual anniversary of the initial report submittal for contracts up to one (1) year in duration. If the Contractor has (250) or more employees the Contractor shall complete and submit the PE250 form on the annual anniversary of the initial report submittal for contracts up to one (1) year in duration. For contracts that are extended beyond one (1) calendar year, the Contractor shall also complete and submit the PE10-249 or PE250 form, whichever is applicable, within thirty (30) days of the annual contract anniversary date of the initial submittal date or, if more than 180 days has elapsed since submittal of the last report, at the completion of the contract, whichever comes first. If the Contractor does not meet the size requirement for reporting a contract award but subsequently grows such that they meet or exceed the size requirement for reporting, the Contractor shall provide the required report within ninety (90) days of meeting or exceeding the size requirement. That submittal date shall serve as the basis for submittals required thereafter. The Contractor shall also impose this requirement on any subcontractor(s) performing more than 10% of the dollar value of this contract if said subcontractor(s) meets, or grows to meet, the stated employee size thresholds during the term of the contract. If one or more subcontractor does not meet the size requirement for reporting a contract award but subsequently grows such that they meet or exceed the size requirement for reporting, the Contractor shall submit the required report for each such subcontractor, within ninety (90) days of that subcontractor meeting or exceeding the size requirement. Subsequent report submittals, on behalf of each such subcontractor, shall be due on the annual anniversary of the initial report submittal. The Contractor shall submit the required form(s) to the State Purchasing Division of the General Services Department, and other departments as may be determined, on behalf of the applicable subcontractor(s) in accordance with the schedule contained in this paragraph. The Contractor acknowledges that this subcontractor requirement applies even though Contractor itself may not meet the size requirement for reporting and be required to report itself.

B. If this Contract was procured pursuant to a solicitation, and if Contractor has already submitted the required report accompanying their response to such solicitation, the report does not need to be re-submitted with this Agreement.
