I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of an Early Childhood Community Assessment.

B. BACKGROUND INFORMATION

New Mexico Early Childhood Education and Care Department (ECECD) was awarded a three-year Preschool Development Grant Birth-5 (PDG B-5) from the US Department of Health and Human Services. The goal of the grant is to build or enhance the birth to five mixed-delivery system infrastructure by creating and expanding high-quality early care and education opportunities in targeted communities and implementing state-level infrastructure and quality improvements. PDG B-5 funds support a statewide needs assessment, strategic planning, family engagement, quality improvement, workforce compensation and support, and direct services for young children.

In December 2019, the Early Childhood Division of the New Mexico Children, Youth, and Families Department finalized the initial New Mexico statewide PDG B-5 Needs Assessment to help gain a better understanding of the needs of families, children, educators, providers, and communities. In 2022, state leaders completed a System Asset and Gap Analysis (SAGA) of the ECCE system and a comprehensive Head Start Needs Assessment through the Head Start Collaboration Office (HSCO) in partnership with the New Mexico Head Start Association (NMHSA). The first annual New Mexico Family Engagement and Satisfaction Survey conducted in Spring 2022 sought feedback from families of children ages 0-5 throughout the state to understand their knowledge of and satisfaction with early childhood services. ECECD supported 15 local early childhood system building coalitions in completing Community Needs Assessments (CNAs) in September 2022, based on data gathered in their communities. ECECD's Strategic Plan 2022-2027, called *Floreceer*, focuses on six goals and is updated annually. The Department's Annual Outcomes Report demonstrates progress on the goals in the strategic plan as well as legislative performance measures.

C. SCOPE OF PROCUREMENT

The ECECD wishes to work collaboratively with a contracted partner to develop a statewide early childhood community assessment. The goal of the community assessment is to identify current strengths and challenges of the existing early childhood landscape of programs, services, and supports on a statewide, regional, and county level.

As part of this work, the Contractor will review and analyze the early childhood system components critical to an equitable early childhood system in New Mexico. This RFP will result in a single award.

This procurement will result in a contractual agreement between two parties; the procurement may ONLY be used by those two parties exclusively. The contract will be for one year from date of award with the option to extend up to three (3) additional years, on a year-by-year basis. This contract will not exceed four (4) years total.

PROCUREMENT MANAGER

ECECD has assigned a Procurement Manager who is responsible for the conduct of this procurement whose name, address, telephone number and e-mail address are listed below:

The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract (APPENDIX C). Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and the Evaluation Committee), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. **Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an explicit agreement by the Offeror that the contractual terms and conditions contained herein are accepted by the Offeror.**

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. See Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85 NMSA 1978.

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities, as defined in Section I.F.19. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that **all** of the otherwise responsive proposals failed to meet the

same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Contractor Representatives

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

21. Notice of Penalties

The Procurement Code, §§13-1-28 through 13-1-199 NMSA 1978, imposes civil, and misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

22. Agency Rights

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

23. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the State of New Mexico. If the RFP is cancelled, all responses received shall be destroyed by the Agency or ECECD.

25. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

Upon certification by the Agency that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment

shall be deemed tendered on the date it is postmarked. However, the agency shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

3. Term.

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE GSD/SPD Contracts Review Bureau. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. ***THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE AGENCY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.***
